Overview Direktorenhaus

Direktorenhaus in Berlin is one of the leading exhibition houses for applied arts in Germany. Since 2010, the museum in the center of the German capital, run by the Meisterrat (German Craft Council), presents selected unique pieces, limited series as well as conceptual design objects. The exhibitions focus on the latest trends in the applied arts. At the same time, the Direktorenhaus does not only show «aesthetic phenomena»: Equally important is the increased importance of design in politics and society, especially in the field of sustainable future planning.
